You should know by now that a man of knowledge lives by acting, not by thinking about acting, nor by thinking about what he will think about when he has finished acting. A man of knowledge chooses a path with heart and follows it; and then he looks and rejoices and laughs; and then he sees and knows.

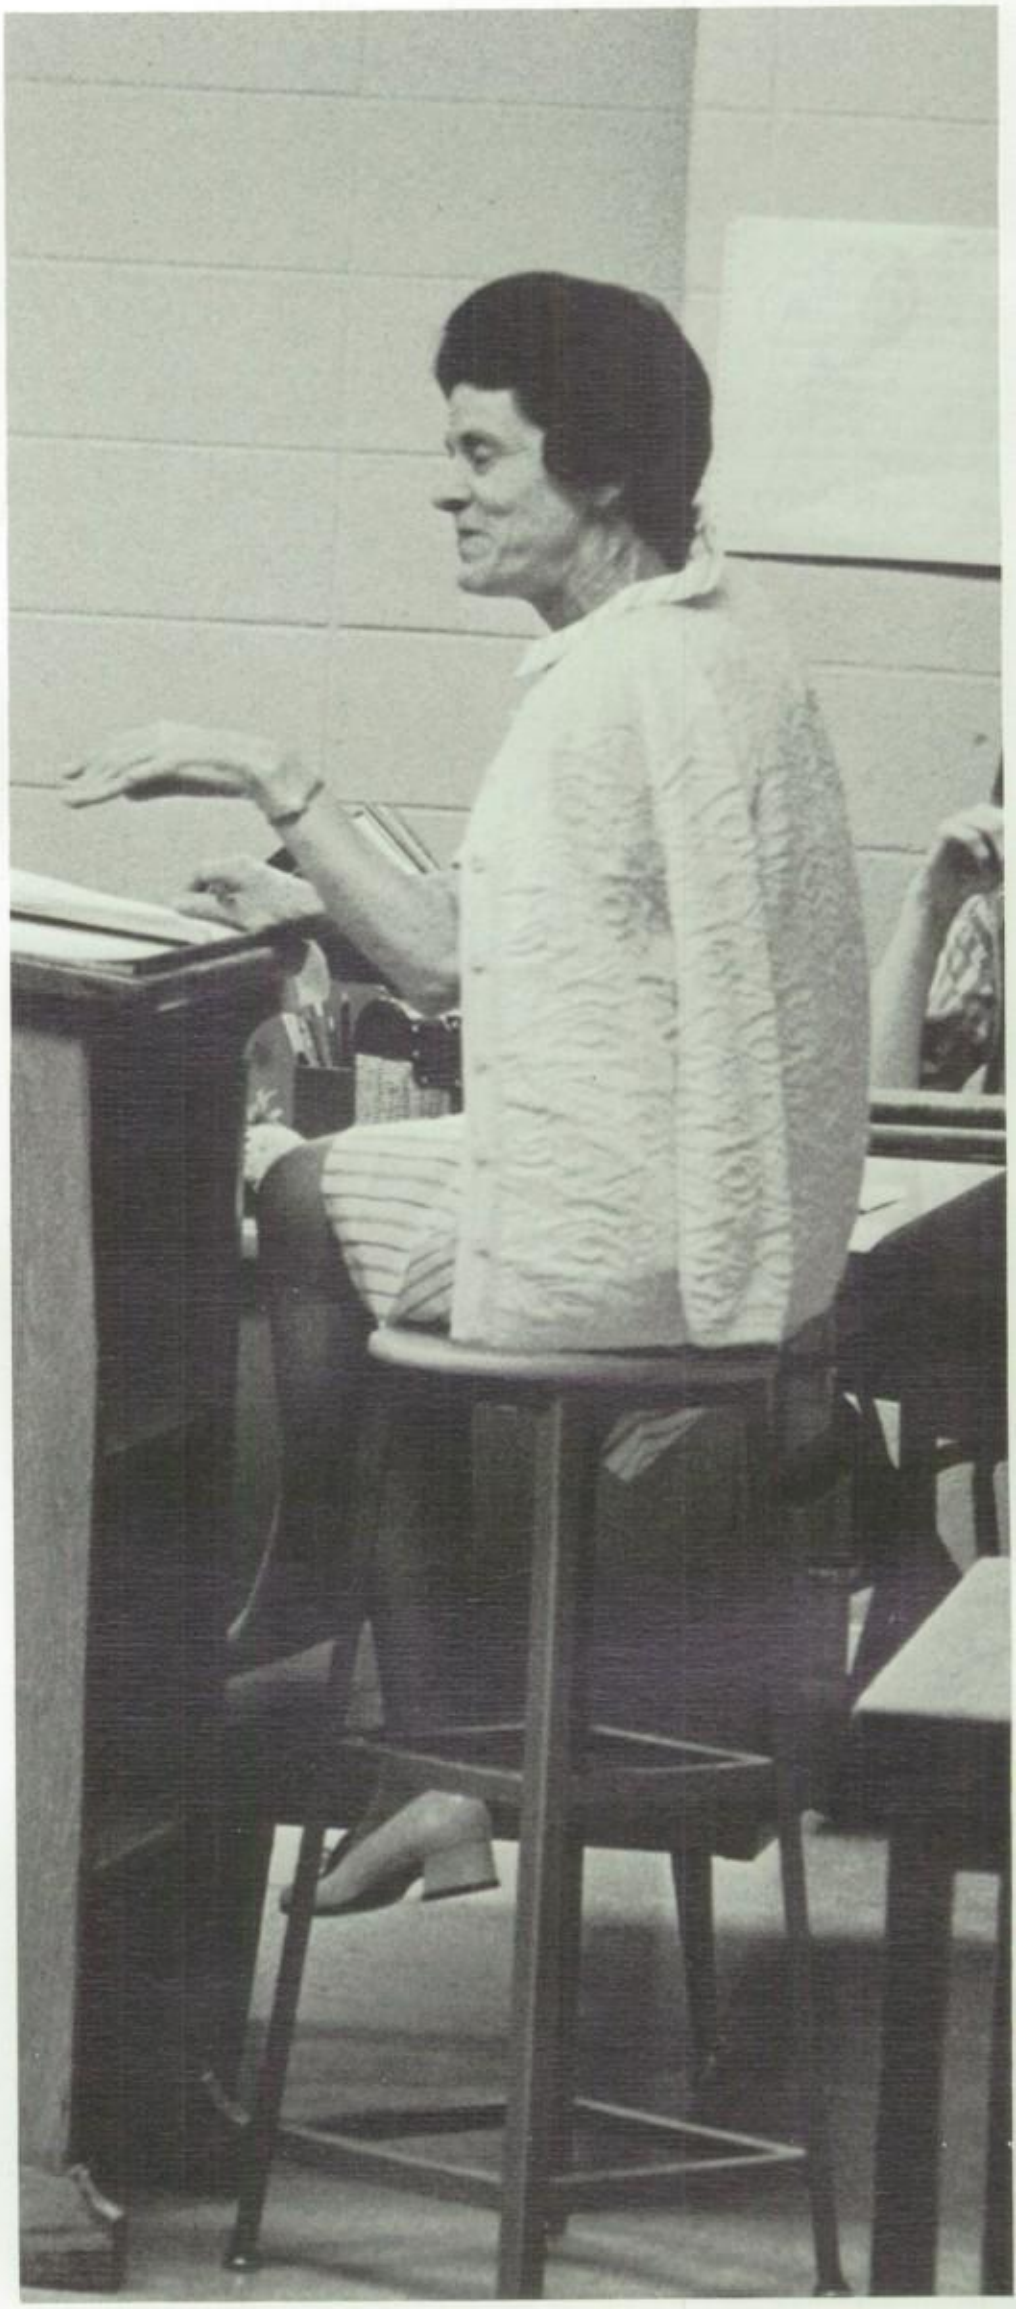
Have you ever noticed
that stern expression?
Did you see that hidden
smile inside?
It's there, along with a
warm loving heart...
Concerned, eager to teach
so they will learn...
Responsible, fair,
understanding...
An example for students
to admire, respect, and
respond to...
More than that, she's a
delight to be with and
laughs with us!
Therefore, the 1973 Viking
Staff affectionately
dedicates this annual to
our Mrs. Ruth Malone!



Ginney,

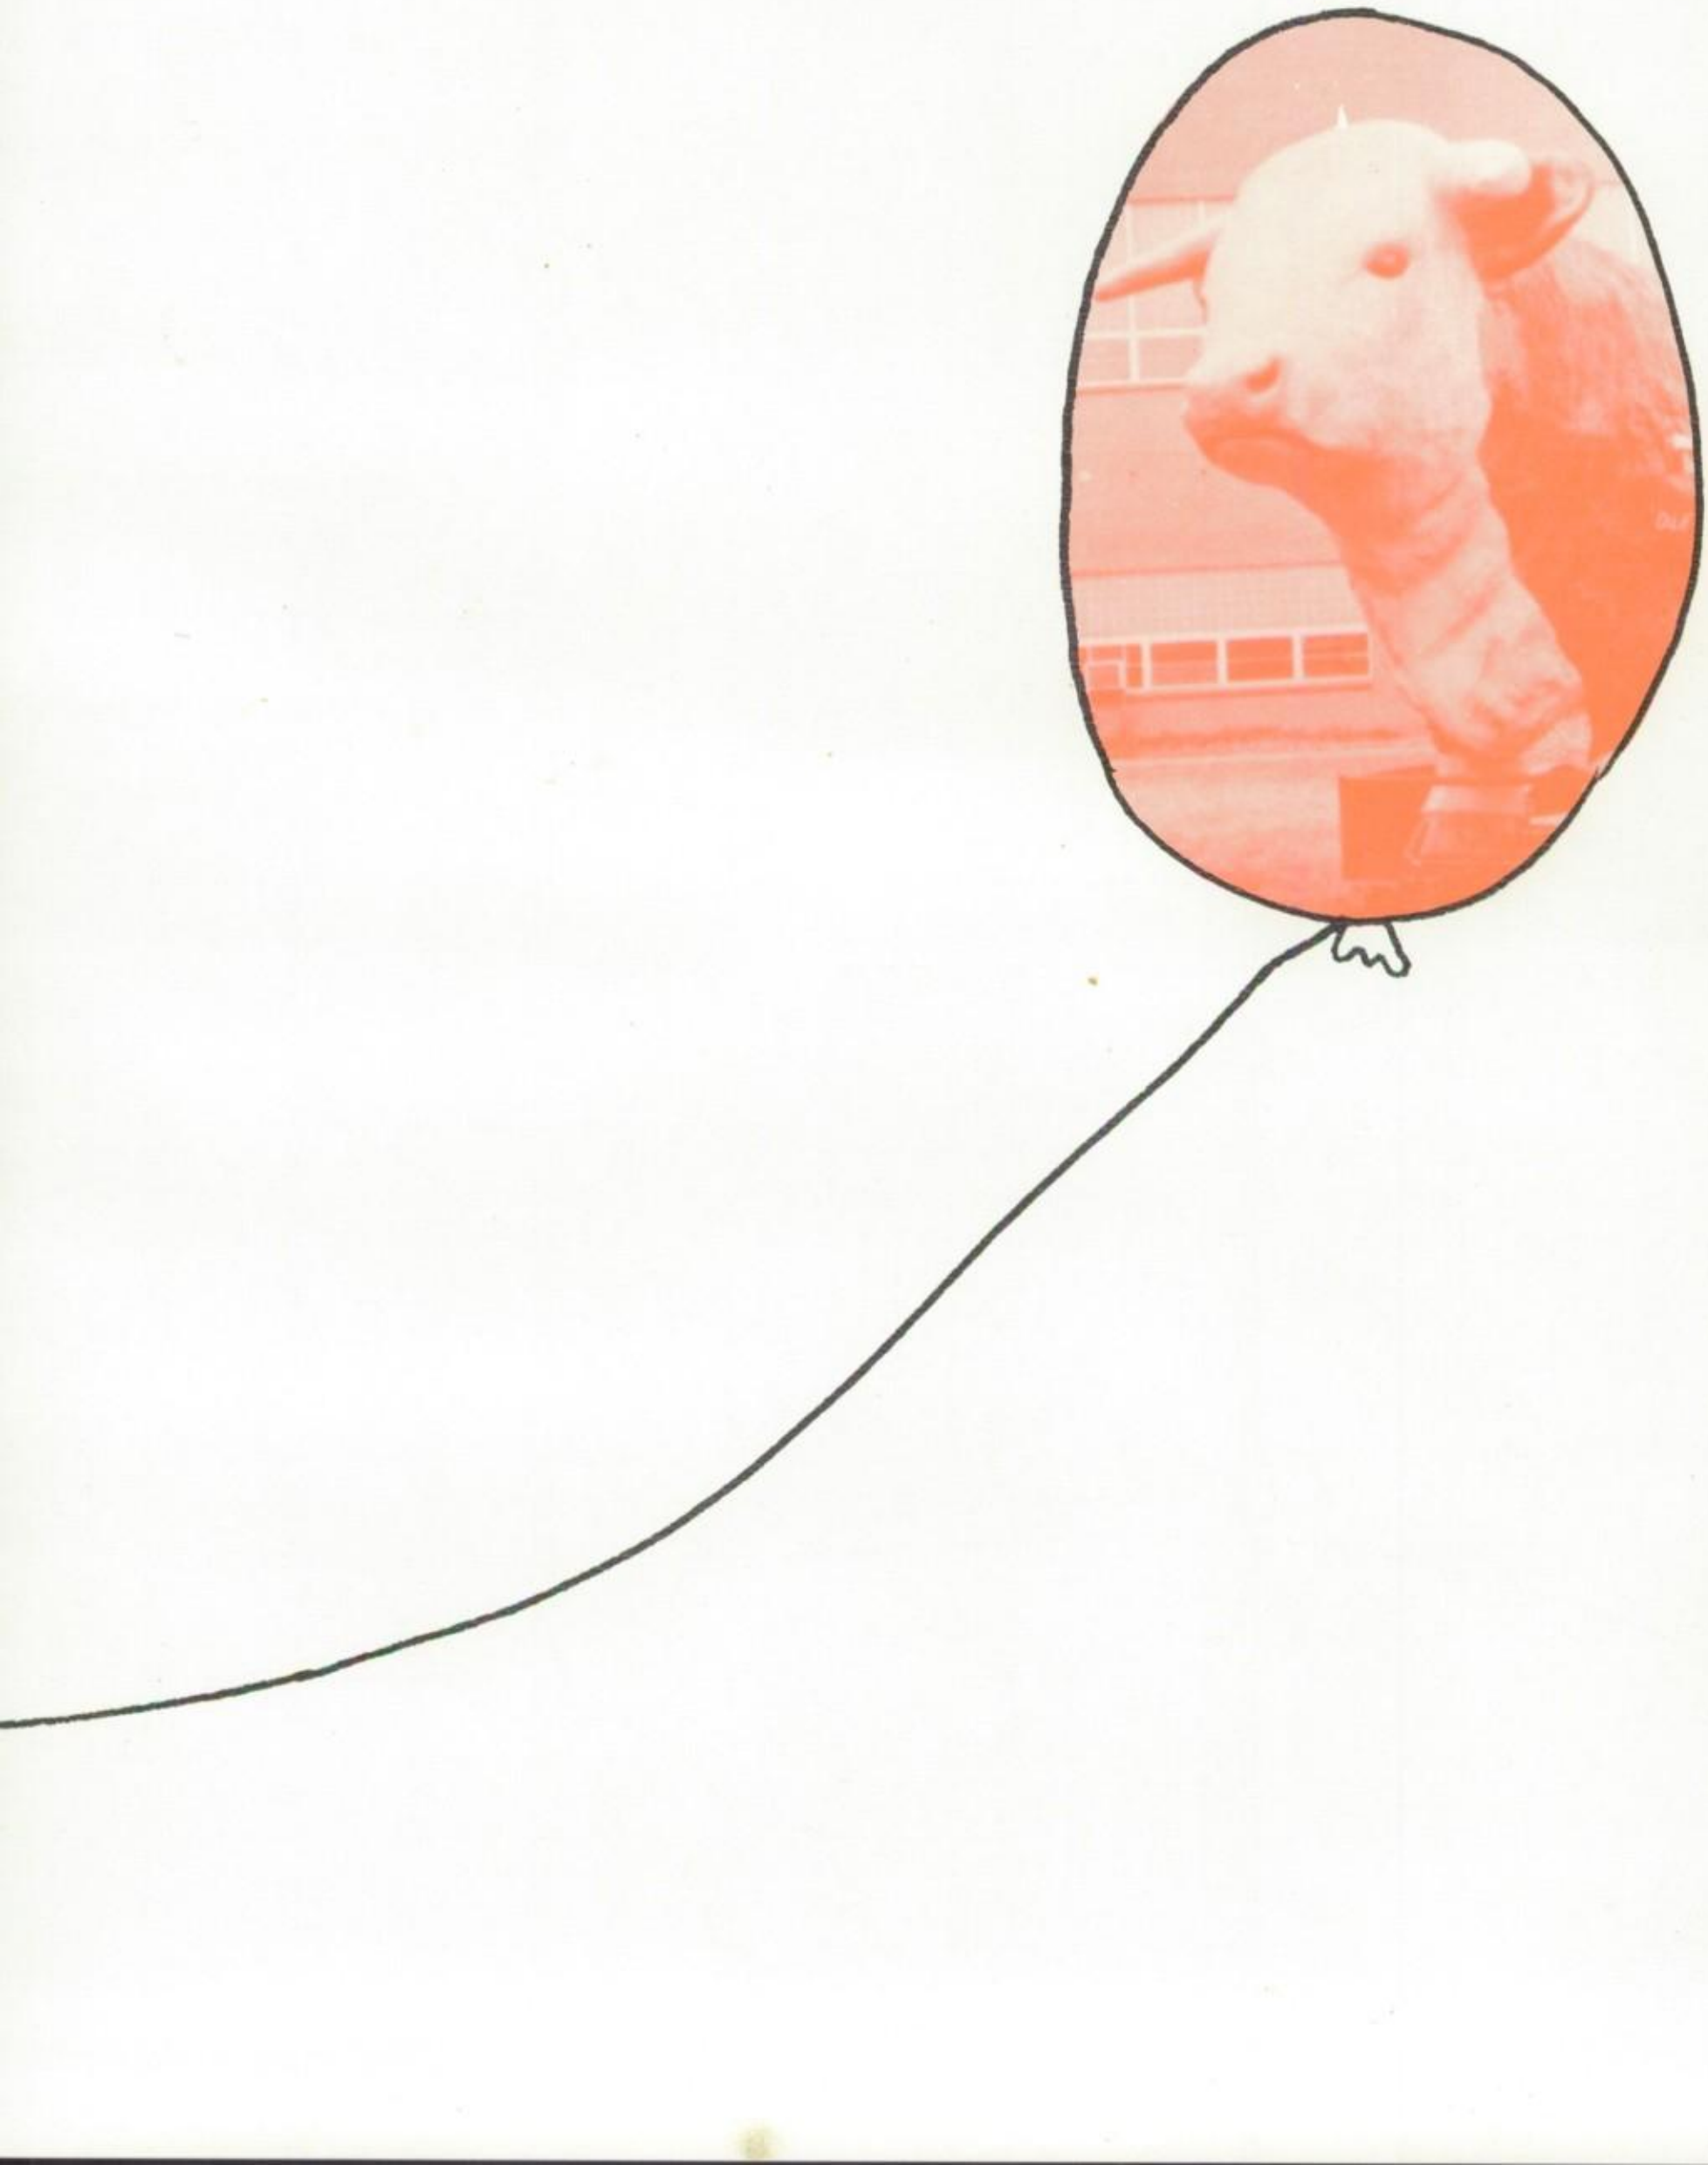
I've enjoyed being in English, Biology and Geometry (almost!) I hope you have fun in Alabama this summer - it sounds like fun! You'll have to write me or let me hear from you sometimes. It was fun arguing with Pace in Biology - I still love yer car (wonder why?) Too bad ya didn't get a ticket! (I'm glad ya didn't)

Take Care! (gonna miss ya!)

Lots of Love,

Debbi

Upward



It seems to me a crime
that we should age,
These fragile times should
never slip us by;
a time you never can
or shall erase,
as friends together watch
their childhood fly.

Making friends for
the world to see,
Let the people know
you got what you need;
With a friend at hand
you will see the light,
If your friends are there,
then everything's all right.

WHERE IF YOU CAN'T BUY IT
WE MAKE IT.

Now the Army starts you at $288.00 a month.

And you may not even have to spend it.

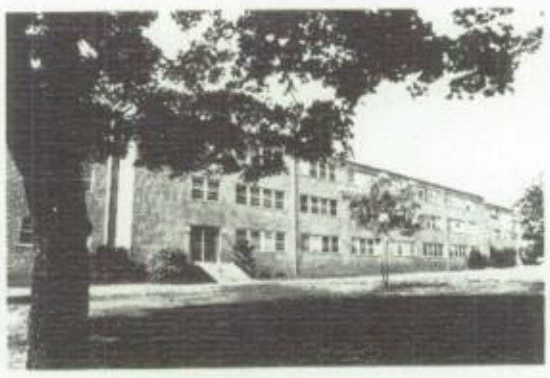
$288.00 a month is just about double our old starting salary. But that's only the beginning.

Training and education. Today's Army is the world's largest school, offering training in hundreds of skills. Mechanical, medical, electronic, you name it. You can also get your high school certificate in the Army. Or work towards a college degree, often at colleges and universities near your Army post.

Free medical and dental care. No more doctors' bills. No dental bills. No charge for eye care or glasses. And no hospitalization premiums to pay.

Free meals. Army food is good food. Tasty, nutritious, varied. And you get as much as you want.

Free housing. Living quarters are comfortable and getting better all the time. And if you're married and live off post, we pay you a housing allowance to help take care of your rent.



30 days vacation. That's four weeks with pay your first year, and every year after that. And if you're stationed overseas, in Europe or Hawaii, you can take your leave there too.

Retire young. You get a lifetime retirement after 20 years, while you're still young enough to enjoy it. In civilian life, you would have to pay about $180 a month, or invest almost $43,000 to match an Army retirement.

These are some of the benefits today's Army has to offer. Earned by the kind of individual our country needs. Professional. Committed. If you'd like to serve yourself as you serve your country,

Today's Army wants to join you.

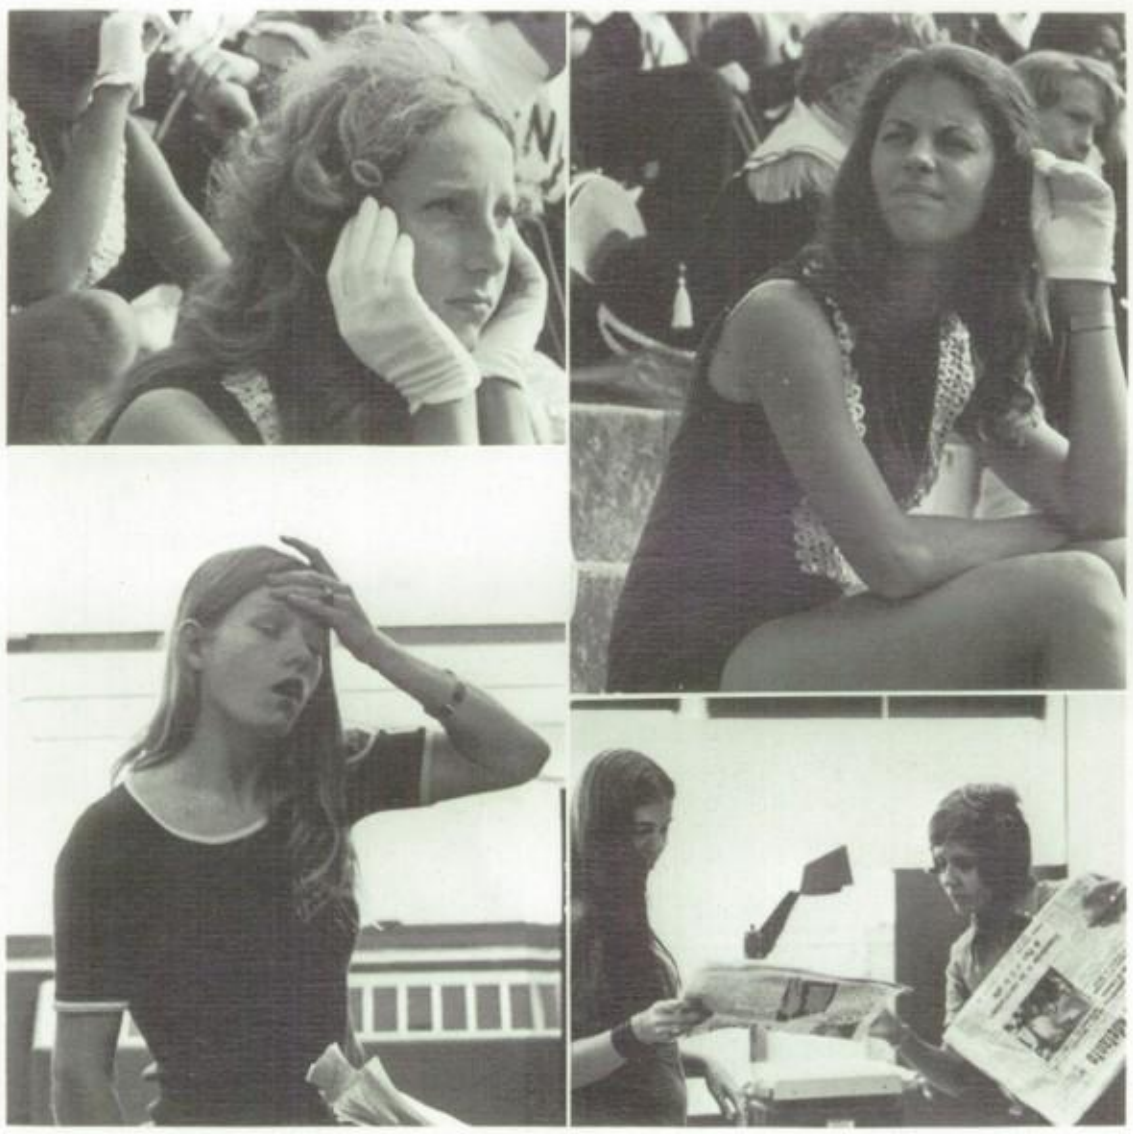
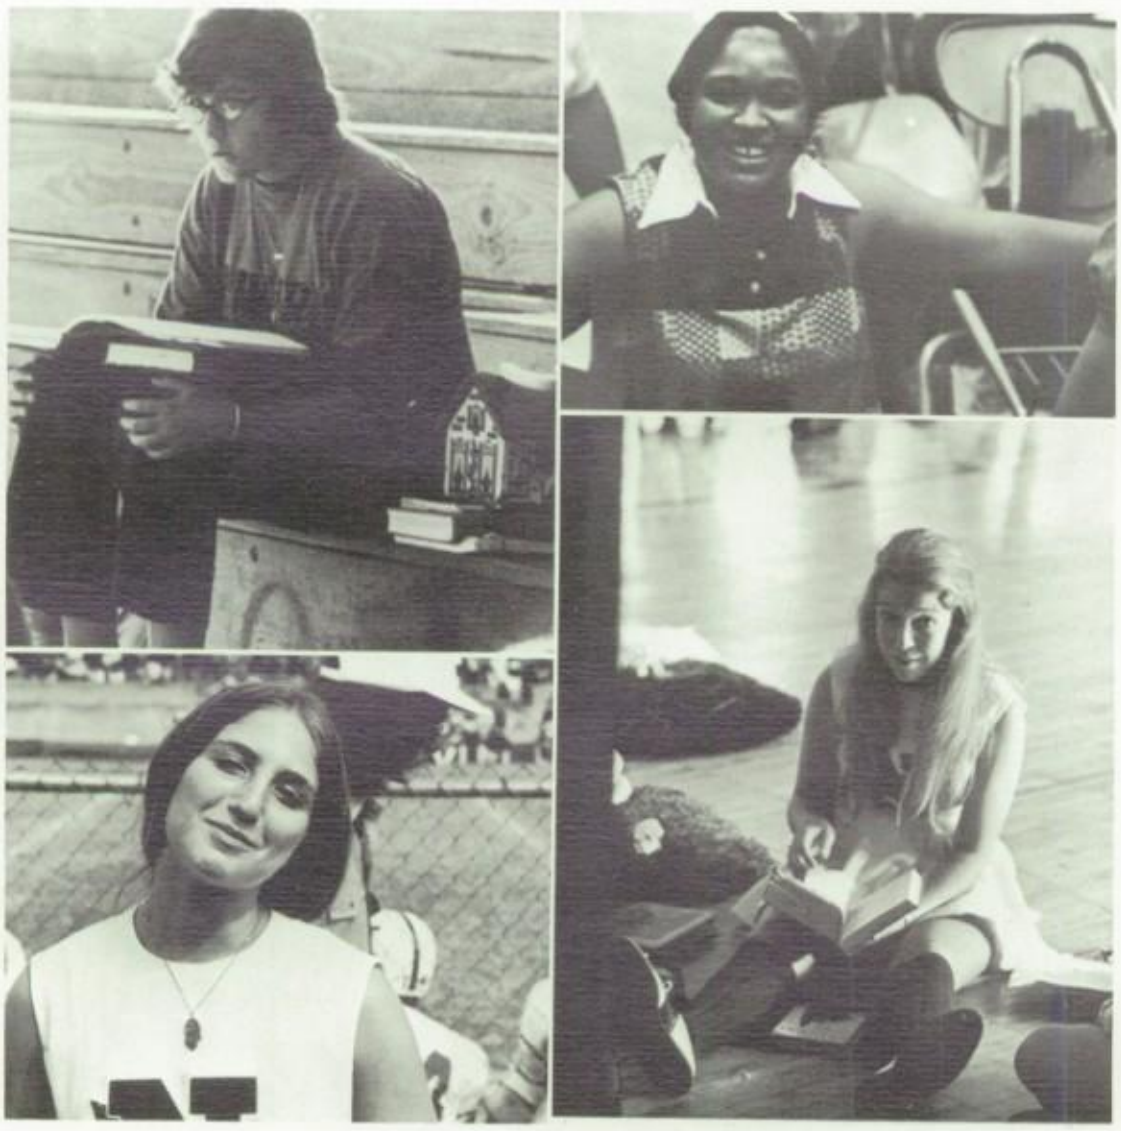
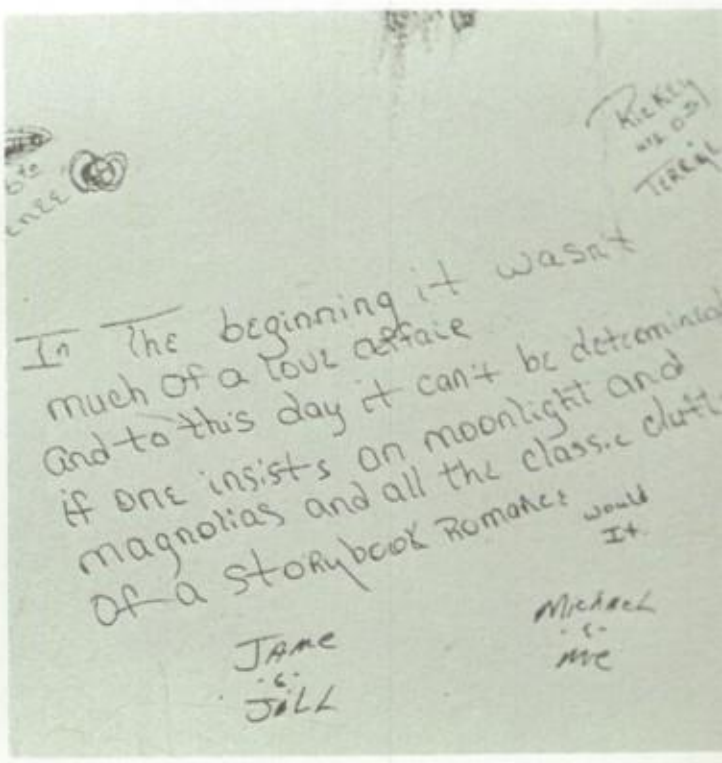
The world's a balloon and you hold the string...

Allison and Cheney







In the beginning it wasn't
much of a love affair
And to this day it can't be determined
if one insists on moonlight and
magnolias and all the classic clutter
of a storybook Romance would
It.

The world's a balloon
The balloon of life
It could be filled
with air
Or floating across
the sky,
Moving steadily
With the hopes,
desires, and dreams
of a careful watcher
Envisioning
its path onward.
How alive is its
master!

Loosen your string.
Let it fly
To boundless limits
For you hold the
string,
The string of your life.
Don't let it tie you
down.
Let it run free
But follow it
Forever.
Don't let it out of sight;
keep on reaching!

But what to do
If it lands on a
rosebush
Or runs into a
disgusted bee.
It could burst
And splatter its
remains
in hidden directions.
You must keep it in
the air,
Staying high!
